PRIORITY POINT SYSTEM

The University of Iowa Athletics priority point system helps reward loyal Hawkeye fans and donors for their years of season-ticket purchases and contributions to Hawkeye athletics. Your priority point total is one factor that determines season-ticket location; ticket access for tournaments, bowl games, and away games; contributor parking; special event invites; and other benefits.

Your priority point total is based on:

- Current I-Club membership level
- Cumulative giving to any athletics funds
- Years of being a season-ticket holder for football, men's and women's basketball, and men's wrestling
- Alumni and/or letterwinner status

WHAT IS THE I-CLUB?

Established in 1974, the I-Club is the home of loyal and dedicated Hawkeye fans who show their pride and support through financial contributions. Hawkeyes who contribute \$50 or more, each year, to I-Club funds are members of the I-Club.

Your annual contributions represent the driving force of Iowa Athletics and allow the department to achieve its vision in providing first-class experiences for Hawkeye student-athletes on the field, in the classroom, and in life.

FAQs

When should I make my I-Club contribution?

The University of Iowa athletics giving year runs July 1-June 30. Gifts received by June 30 qualify you for I-Club membership and count toward seating requirements for the following academic year. We encourage all I-Club payments to be made by March 31 to ensure timely receipt of I-Club benefits, including purchasing additional mini plans and single-game tickets ahead of the general public and access to our annual seating upgrade process.

What gifts are tax deductible?

As of Jan. 1, 2018, changes were made to IRC 170(i), eliminating the 80 percent charitable deduction previously allowed for federal income tax purposes. Please consult your own tax advisor for applicability of federal and state tax regulations.

If I make a per-seat donation for season football tickets, do I need to make an additional gift for men's basketball season tickets?

Individuals who have season tickets in Kinnick Stadium and Carver-Hawkeye Arena mainstand seating zones that require per-seat contributions will be required to pay whichever is greater of the two.

What gifts earn me priority points?

Gifts to any Iowa athletics funds are eligible for priority points, but only contributions to I-Club funds earn you I-Club membership and points associated with your membership level.
